

WEEDLESS GAMEFISH ATTRACTOR

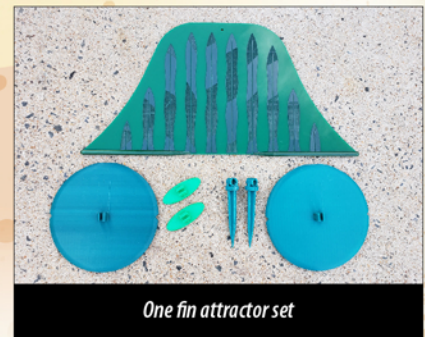

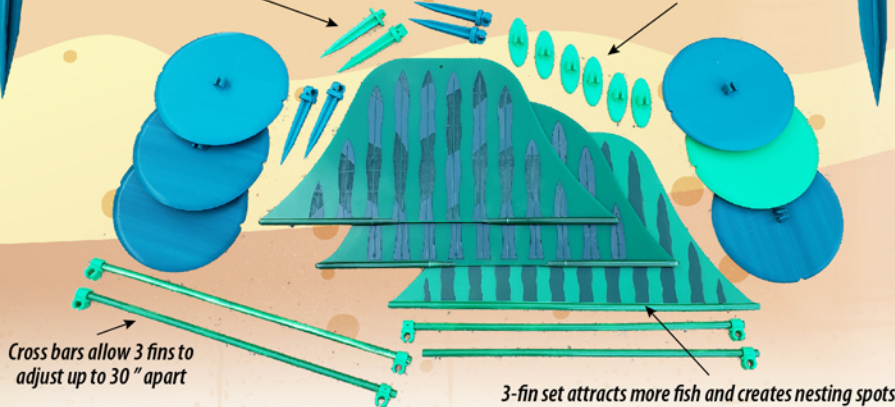

BEST NEW ATTRACTOR that provides structure, shade,
& camouflage for game & feeder fish

- Catch more gamefish such as bass
- Reduces lure snagging
- Easy assembly; no tools required
- Lightweight, durable, portable, & affordable
- Environment friendly: improves habitat with algae growth & no product breakdown
- Versatile: many ways to create cover with fins & pad floats on bottom or surface

3-fin set includes 6 each of stakes, weights & lily pad floats, plus 4 crossbars to connect fins

Use stakes &/or weights to secure attractor on bottom
