

# The **BEDDING RACK**™

**NEW!** Ready-to-Assemble (RTA) Furniture Item

- **ORGANIZES** large, bulky comforter sets beautifully when removed from bed
- **STORES** bedding, robes, slippers, and other sleep-related items in one, central place
- **KEEPS** comforter sets away from household pets & off dirty floors
- **REDUCES** clutter and saves space
- **ADDS** an attractive, high-quality accent piece to bedrooms & upscale lodging
- **LENGTHENS** the life of cherished and/or expensive bed covers
- **ELIMINATES** a tripping hazard that occurs when bedding piles up on the floor

**RTA Bedding Rack SHIPS in a flat box, is easily assembled by buyer or seller, no glue or special tools required**

PATENTED: US 10,694,846, 30 JUNE 2020
